01

You Don’t Need a Networking Personality.

Quiet works. So does nervous. You don't have to be the loudest person here to be someone people enjoy meeting.

Try saying

“I don't know anyone here yet. Can I sit with you?”

Try it. Say hello to one person before you check your phone.

Who I said hello to

radius financial group inc. | Corp NMLS ID #1846 | Equal Housing Lender | Not affiliated with LinkedIn
